In May, 2009, the Sisters of Saint Benedict of Crookston will celebrate 90 years of service with the People of God. We have been blessed with many wonderful relationships. To remember our friends and celebrate with them, we have created a calendar that contains a picture-account of our ministries. Historical and more recent photos represent the countless men and women who worked with us in parishes, schools and healthcare facilities throughout the years. The calendar shows how so many communities and the sisters shared lives in our diocese and in faraway places and how we continue to do so. Proceeds from the calendar sales will support our on-going ministries.

You may order the full-color calendar by completing the order form below. We will begin mailing the calendars in June and continue through the end of the year.
